

# UCON LNB

Optimal for pharmaceutical bulk materials

[www.ucon.de](http://www.ucon.de)

## IBC for pharmaceutical powders and bulk solid materials UCON LNB.

Unbeatable service life. UCON, the safe choice.

- GMP appropriate design.
- Rounded corners which provide easy clean radii and residue-free areas.
- Sealing materials meet FDA quality, easy to exchange
- Self-supporting construction
- WIG/TIG welding, which meets highest quality standards. All weld seams are FE-tested.
- Improved outlet design for a better product flow

UCON LNB pharmaceutical container features ideal cleaning geometry, residue-free emptying and non-permeation. With great variety in sizes and non-wearing construction which allows continual re-use, the LNB bulk material container made of stainless steel meets all your requirements.

Our striving for quality and perfection ensures the highest possible degree of safety and longevity. Your requirements and our pioneer culture give rise to customized, innovative products made of stainless steel.
